Dear Valued Customer,

Effective for all open orders shipping *on or after August 1, 2021*, Afton Plastics will be implementing a price increase on all products made from the following grades of material:

Daikin Neoflon® PCTFE	4%
-----------------------	----

This price increase is due to the rising cost of the resins we process. Afton Plastics appreciates your business and continued support with our products.

Please feel free to contact us with any questions. Thank you!

Sincerely,
