

July 6, 2022

**Dear Valued Customer,**

Effective for ALL OPEN AND NEW ORDERS shipping ***on or after August 8, 2022***, Afton Plastics will be implementing a price increase on all products made from the following grades of material:

<b>Chemours <i>Teflon</i>® PFA 350, 440HP, 450HP</b>	<b>10%</b>
--	------------

This price increase is due to the rising cost of the resins we process. Afton Plastics appreciates your business and continued support with our products.

Please feel free to contact us with any questions. Thank you!

Sincerely,

A handwritten signature in black ink that reads 'Brandee Moshier'.
